LIMITED LIFETIME WARRANTY*

Panaro srl guarantees its injection moulded Max cases line (with the exception of Max Grip line) for a life time against breakage or defects in workmanship. Max cases are guaranteed to be watertight to a depth of 1 meter for 30 minutes (IP67) if properly closed with undamaged O-ring in lace unless otherwise stated. To the extent permitted by law, Panaro's liability is limited to the case and not its contents or foam or people caused by faulty products.

Panaro Srl will decide if the warranty is applicable to the defective goods and replace or repair any broken or defective part or case, at our sole option. to the extend permitted by law, the remedies hereby provided shall be the exclusive and sole remedy of the purchaser.

To the extend permitted by law: (a) this warranty is in lieu of all warranties, express or implied, including, but not limited to, the implied warranties of marchantability and fitness for a particular purpose; and (b) all other implied warranties and any liability not based upon contract are hereby disclaimed and excluded.

To the extent permitted by law, in no event shall Panaro srl be liable for any indirect, punitive, incidental or consequential damages, or special damages, regardless of whether a claim for such damages is based on warranty, contract, negligence or otherwise. to the extent permitted by law, in no event shall Panaro's liability to the purchaser for damages hereunder exceed the purchase price of the case in respect of which damages are claimed.

Panaro offers a warranty on broken MAX cases/MAX parts due to production defects, however this does not apply to the improper use of the case or the result of wear and tear.

To help maintain the case's sealing performance, Panaro recommends replacing the O-ring at least once a year, or sooner if it shows signs of wear or damage. This is a preventive maintenance recommendation; replacing the O-ring alone does not guarantee continued IP67 performance, which also depends on the condition of the case and its sealing surfaces, correct O-ring installation and proper closure.

*Lifetime warranty not applicable where prohibited by law.
